Hello Cast,

"Best show yet!", "Wow, what a cast!", "Show was great!" These are just some of the comments I have heard! I don't know when I have enjoyed rehearsing a show quite so much - we certainly entertained ourselves for two weeks+ Thank you everyone; special thoughts to Scott and Cindy. You were missed; Thank you Nancy and Scott Mc for the "stand-by".

I look forward to working with you all again - and in the meantime, hope to see some of you in "Arsenic...."

Thanks also for the beautiful card and sentiments (and the birthday party) - guess what, Harvey sent word that he will work with us again!
